

SBYSL Outdoor League Rules - 2024

Foreword

We have adopted these rules to help the flow of the game and to create an atmosphere where the game of outdoor soccer in South Baltimore can be enjoyed by Players and Fans alike. These rules are set forth by the Board of Directors of the SBYSL and are enforced by the referees appointed by the board for each game. Among other things, the Rules' intent is to promote the adoption of standards for outdoor soccer, which will further promote its identity, growth and, above all, fun for those of all skill levels and ages. We ask all players, coaches, spectators, referees, and Board Members to keep in mind that this league is a volunteer run league and everyone is here for the kids and the promotion of the League as a whole. This being said, we would like everyone to play hard, play fair and above all, HAVE FUN!

SBYSL's Outdoor soccer games follow the FIFA laws of the game that are published on the US Soccer website: <https://www.ussoccer.com/referees/laws-of-the-game>

The following modifications have been adopted

NO COACHES ALLOWED ON THE FIELD WITHOUT REFEREE PERMISSION STARTING AT U7 AGE GROUP

No players or spectators on field during halftime. Post game: Players and spectators must yield to the oncoming teams. If time allows, oncoming teams can use the field for a few minutes prior to kick off for warm-ups.

No coaches are allowed behind the goal. Coaches must coach from the sidelines.

ALL COACHES MUST TRY TO GIVE ALL PLAYERS EQUAL PLAYING TIME

Substitution procedure

To replace a player with a substitute, the following must be observed:

- the referee must be informed before any substitution is made

- the player being substituted receives the referee's permission to leave the field of play, unless already off the field
- if a player who is to be replaced refuses to leave, play continues

The substitute only enters:

- during a stoppage in play
- at the halfway line
- after the player being replaced has left
- after receiving a signal from the referee

The substitution is completed when a substitute enters the field of play; from that moment, the replaced player becomes a substituted player and the substitute becomes a player and can take any restart. All substituted players and substitutes are subject to the referee's authority whether they play or not.

Changing the goalkeeper

Any of the players may change places with the goalkeeper if:

- the referee is informed before the change is made
- the change is made during a stoppage in play

Team captain

The team captain has no special status or privileges but has a degree of responsibility for the behavior of the team.

Law 4 - The Players' Equipment

1. Safety

A player must not use equipment or wear anything that is dangerous. All items of jewelry (necklaces, rings, bracelets, earrings, leather bands, rubber bands, etc.) are forbidden and must be removed.

Using tape to cover jewelry is not permitted. The players must be inspected before the start of the match and substitutes before they enter the field of play. If a player is wearing or using unauthorized/dangerous equipment or jewelry the referee must order the player to:

- remove the item
- leave the field of play at the next stoppage if the player is unable or unwilling to comply

A player who refuses to comply or wears the item again must be cautioned.

2. Compulsory equipment

The compulsory equipment of a player comprises the following separate items:

- shirt with sleeves
- socks – tape or any material applied or worn externally must be the same color as that part of the sock it is applied to or covers
- shin guards – these must be made of a suitable material to provide reasonable protection and covered by the socks
- footwear

A player whose footwear or shin guard is lost accidentally must replace it as soon as possible and no later than when the ball next goes out of play; if before doing so the player plays the ball and/or scores a goal, the goal is awarded.

3. Colors

- The two teams must wear colors that distinguish them from each other and the match officials
- Each goalkeeper must wear colors that are distinguishable from the other players and the match officials
- If the two goalkeepers' shirts are the same color and neither has another shirt, the referee allows the match to be played.

4. Other equipment

Non-dangerous protective equipment, for example headgear, facemasks and knee and arm protectors made of soft, lightweight padded material is permitted as are goalkeepers' caps and sports spectacles.

(Note: the league highly recommends that players with braces use a mouth guard. Players who require glasses should try to use sport goggles, contacts, or a restraint. Both of these items are recommendations and will not prevent a player from participating.)

Law 5 - The Referee

1. The authority of the referee

Each match is controlled by a referee who has full authority to enforce the Laws of the Game in connection with the match.

2. Decisions of the referee

Decisions will be made to the best of the referee's ability according to the Laws of the Game and the 'spirit of the game' and will be based on the opinion of the referee who has the discretion to take appropriate action within the framework of the Laws of the Game.

The decisions of the referee regarding facts connected with play, including whether or not a goal is scored and the result of the match, are final.

The decisions of the referee, and all other match officials, must always be respected.

The referee may not change a decision on realizing that it is incorrect or on the advice of another match official if play has restarted or the referee has signaled the end of the first or second half (including extra time) and left the field of play or terminated the match.

3. Powers and duties

The referee:

- enforces the Laws of the Game
- controls the match in cooperation with the other match officials
- acts as timekeeper, keeps a record of the match and provides the appropriate authorities with a match report, including information on disciplinary action and any other incidents that occurred before, during or after the match
- supervises and/or indicates the restart of play

Advantage

- allows play to continue when an offence occurs and the non-offending team will benefit from the advantage and penalizes the offence if the anticipated advantage does not ensue at that time or within a few seconds

Disciplinary action

- punishes the more serious offence, in terms of sanction, restart, physical severity and tactical impact, when more than one offence occurs at the same time
- takes disciplinary action against players guilty of cautionable and sending-off offences
- has the authority to take disciplinary action from entering the field of play for the pre-match inspection until leaving the field of play after the match ends (including kicks from the penalty mark). If, before entering the field of play at the start of the match, a player commits a sending-off offence, the referee has the authority to prevent the player taking part in the match (see Law 3.6); the referee will report any other misconduct
- has the power to show yellow or red cards and, where competition rules permit, temporarily dismiss a player, from entering the field of play at the start of the match until after the match has ended, including during the half-time interval, extra time and kicks from the penalty mark
- takes action against team officials who fail to act in a responsible manner and may expel them from the field of play and its immediate surrounds
- acts on the advice of other match officials regarding incidents that the referee has not seen

Injuries

- allows play to continue until the ball is out of play if a player is only slightly injured
- stops play if a player is seriously injured and ensures that the player is removed from the field of play.

An injured player may not be treated on the field of play and may only re-enter after play has restarted; if the ball is in play, re-entry must be from the touchline but if the ball is out of play, it may be from any boundary line. Exceptions to the requirement to leave the field of play are only when:

- a goalkeeper is injured
- a goalkeeper and an outfield player have collided and need attention
- players from the same team have collided and need attention
- a severe injury has occurred
- a player is injured as the result of a physical offence for which the opponent is cautioned or sent off (e.g. reckless or serious foul challenge), if the assessment/treatment is completed quickly
- ensures that any player bleeding leaves the field of play. The player may only re-enter on receiving a signal from the referee, who must be satisfied that the bleeding has stopped and there is no blood on the equipment
- if the referee has decided to caution or send off a player who is injured and has to leave the field of play for treatment, the card must be shown before the player leaves
- if play has not been stopped for another reason, or if an injury suffered by a player is not the result of an offence, play is restarted with a dropped ball

Outside interference

- stops, suspends or abandons the match for any offences or because of outside interference e.g. if:
- the floodlights are inadequate
- an object thrown by a spectator hits a match official, a player or team official, the referee may allow the match to continue, or stop, suspend or abandon it depending on the severity of the incident

- a spectator blows a whistle which interferes with play - play is stopped and restarted with a dropped ball
- an extra ball, other object or animal enters the field of play during the match, the referee must: stop play (and restart with a dropped ball) only if it interferes with play unless the ball is going into the goal and the interference does not prevent a defending player playing the ball, the goal is awarded if the ball enters the goal (even if contact was made with the ball) unless the ball enters the opponents' goal—allow play to continue if it does not interfere with play and have it removed at the earliest possible opportunity
- allows no unauthorized persons to enter the field of play

Law 6 - The Other Match Officials

Assistant referees

They indicate when:

- the whole of the ball leaves the field of play and which team is entitled to a corner kick, goal kick or throw-in
- a player in an offside position may be penalized
- a substitution is requested
- at penalty kicks, the goalkeeper moves off the goal line before the ball is kicked and if the ball crosses the line; if additional assistant referees have been appointed the assistant referee takes a position in line with the penalty mark

The assistant referee's assistance also includes monitoring the substitution procedure.

The assistant referee may enter the field of play to help control the 9.15 m (10 yards) distance.

Law 7 - The Duration of the Game

The game is to start ON TIME and ONLY play the specified amount of minutes. Please leave the field after your amount of game time. This will give the next team a couple minutes to stretch and prepare for their game. Please give courtesy for the next team to prepare for their game!!

- Coed U5 - practice time and scrimmage time (coaches' decision)
- Coed U6 - practice time and scrimmage time (coaches' decision)
- Coed U7 - 4 - 10 minute quarters; 5 min half; 2 min between quarters
- Girls U8 - 4 - 10 minute quarters; 5 min half; 2 min between quarters
- Coed U9 - 4 - 10 minute quarters; 5 min half; 2 min between quarters
- Girls U10 - 4 - 10 minute quarters; 5 min half; 2 min between quarters
- Coed U11 - 4 - 12 minute quarters; 5 min half; 2 min between quarters
- Coed U14 - 2 - 25 minutes halves; 5 min half
- Girls U15 - 4 - 4 - 12 minute quarters; 5 min half; 2 min between quarters
- Coed U19 - 2 - 25 minutes halves; 5 min half

Law 8 - The Start and Restart of Play

A kick-off starts both halves of a match, both halves of extra time and restarts play after a goal has been scored. Free kicks (direct or indirect), penalty kicks, throw-ins, goal kicks and corner kicks are other restarts (see Laws 13–17).

A dropped ball is the restart when the referee stops play and the Law does not require one of the above restarts.

If an offence occurs when the ball is not in play this does not change how play is restarted.

1. Kick-off Procedure

- The team that wins the toss can choose to take the kick-off or which goal to attack
- for the second half, the teams change ends and attack the opposite goals
- after a team scores a goal, the kick-off is taken by their opponents

For every kick-off:

- all players, except the player taking the kick-off, must be in their own half of the field of play
- the opponents of the team taking the kick-off must be at least 9.15 m (10 yds) from the ball until it is in play
- the ball must be stationary on the center mark
- the referee gives a signal
- the ball is in play when it is kicked and clearly moves
- a goal may be scored directly against the opponents from the kick-off; if the ball directly enters the kicker's goal, a corner kick is awarded to the opponents

Offences and sanctions

If the player taking the kick-off touches the ball again before it has touched another player an indirect free kick, or for deliberate handball a direct free kick, is awarded.

In the event of any other kick-off procedure offence the kick-off is retaken.

2. Dropped ball Procedure

If play is stopped inside the penalty area, the ball will be dropped for the goalkeeper

If play is stopped outside the penalty area, the ball will be dropped for one player of the team that last touched the ball at the point of the last touch

In all cases, all the other players (of both teams) must be at least 4m (4.5yds) away

If the ball touches the referee (or another match official) and goes into the goal, team possession changes or a promising attack starts, a dropped ball is awarded

The referee drops the ball at the position where it was when play was stopped, unless play was stopped inside the goal area in which case the ball is dropped on the goal area line which is parallel to the goal line at the point nearest to where the ball was when play was stopped.

The ball is in play when it touches the ground.

Offences and sanctions

The ball is dropped again if it:

- touches a player before it touches the ground
- leaves the field of play after it touches the ground, without touching a player

If a dropped ball enters the goal without touching at least two players play is restarted with:

- a goal kick if it enters the opponents' goal
- a corner kick if it enters the team's goal

Law 9 - The Ball In And Out of Play

1. Ball out of play

The ball is out of play when:

- it has wholly passed over the goal line or touchline on the ground or in the air
- play has been stopped by the referee

2. Ball in play

The ball is in play at all other times, including when it rebounds off a match official, goalpost, crossbar or corner flagpost and remains in the field of play.

Law 10 - Determining the Outcome of the Match

1. Goal scored

A goal is scored when the whole of the ball passes over the goal line, between the goalposts and under the crossbar, provided that no offence has been committed by the team scoring the goal.

If a referee signals a goal before the ball has passed wholly over the goal line, play is restarted with a dropped ball.

2. Winning team

The team scoring the greater number of goals is the winner. If both teams score no goals or an equal number of goals the match is drawn.

When competition rules require a winning team after a drawn match or home-and-away tie, the only permitted procedures to determine the winning team are:

- away goals rule
- two equal periods of extra time not exceeding 15 minutes each
- kicks from the penalty mark

A combination of the above procedures may be used.

Note: Wins, Losses, and Draws will be recorded for the U7 age groups and older. A playoff seedings will be determined based on a tally of the overall regular season record. In the event of a tie, the head to head record of the teams will be used as the first tiebreaker. The second tiebreaker will be a coin flip.

Law 11 – Offsides

1. Offside position

It is not an offence to be in an offside position.

A player is in an offside position if:

- any part of the head, body or feet is in the opponents' half (excluding the halfway line) and
- any part of the head, body or feet is nearer to the opponents' goal line than both the ball and the second-last opponent. The hands and arms of all players, including the goalkeepers, are not considered.

A player is not in an offside position if level with the:

- second-last opponent or
- last two opponents

2. Offside offence

A player in an offside position at the moment the ball is played or touched* by a team-mate is only penalized on becoming involved in active play by:

- interfering with play by playing or touching a ball passed or touched by a team-mate or
- interfering with an opponent by:
 - preventing an opponent from playing or being able to play the ball by clearly obstructing the opponent's line of vision or
 - challenging an opponent for the ball or

(*The first point of contact of the 'play' or 'touch' of the ball should be used)

- clearly attempting to play a ball which is close when this action impacts on an opponent or
- making an obvious action which clearly impacts on the ability of an opponent to play the ball or
- gaining an advantage by playing the ball or interfering with an opponent when it has:
 - rebounded or been deflected off the goalpost, crossbar, match official or an opponent
 - been deliberately saved by any opponent

A player in an offside position receiving the ball from an opponent who deliberately plays the ball (except from a deliberate save by any opponent) is not considered to have gained an advantage.

A 'save' is when a player stops, or attempts to stop, a ball which is going into or very close to the goal with any part of the body except the hands/arms (unless the goalkeeper within the penalty area).

In situations where:

- a player moving from, or standing in, an offside position is in the way of an opponent and interferes with the movement of the opponent towards the ball this is an offside offence if it impacts on the ability of the opponent to play or challenge for the ball; if the player moves into the way of an opponent and impedes the opponent's progress (e.g. blocks the opponent) the offence should be penalised under Law 12.
- a player in an offside position is moving towards the ball with the intention of playing the ball and is fouled before playing or attempting to play the ball, or challenging an opponent for the ball, the foul is penalised as it has occurred before the offside offence

- an offence is committed against a player in an offside position who is already playing or attempting to play the ball, or challenging an opponent for the ball, the offside offence is penalised as it has occurred before the foul challenge

No offence

There is no offside offence if a player receives the ball directly from:

- a goal kick
- a throw-in
- a corner kick

Offences and sanctions

If an offside offence occurs, the referee awards an indirect free kick where the offence occurred, including if it is in the player's own half of the field of play.

A defending player who leaves the field of play without the referee's permission shall be considered to be on the goal line or touchline for the purposes of offside until the next stoppage in play or until the defending team has played the ball towards the halfway line and it is outside their penalty area. If the player left the field of play deliberately, the player must be cautioned when the ball is next out of play.

An attacking player may step or stay off the field of play not to be involved in active play. If the player re-enters from the goal line and becomes involved in play before the next stoppage in play, or the defending team has played the ball towards the halfway line and it is outside their penalty area, the player shall be considered to be positioned on the goal line for the purposes of offside.

A player who deliberately leaves the field of play and re-enters without the referee's permission and is not penalised for offside and gains an advantage, must be cautioned.

If an attacking player remains stationary between the goalposts and inside the goal as the ball enters the goal, a goal must be awarded unless the player commits an offside offence or Law 12 offence in which case play is restarted with an indirect or direct free kick.

Law 12 - Fouls and Misconduct

Direct and indirect free kicks and penalty kicks can only be awarded for offences committed when the ball is in play.

1. Direct free kick

A direct free kick is awarded if a player commits any of the following offences against an opponent in a manner considered by the referee to be careless, reckless or using excessive force:

- charges
- jumps at
- kicks or attempts to kick
- pushes
- strikes or attempts to strike (including head-butt)
- tackles or challenges
- trips or attempts to trip

If an offence involves contact it is penalised by a direct free kick or penalty kick.

- Careless is when a player shows a lack of attention or consideration when making a challenge or acts without precaution. No disciplinary sanction is needed
- Reckless is when a player acts with disregard to the danger to, or consequences for, an opponent and must be cautioned
- Using excessive force is when a player exceeds the necessary use of force and/or endangers the safety of an opponent and must be sent off

A direct free kick is awarded if a player commits any of the following offences:

- handles the ball deliberately (except for the goalkeeper within their penalty area)
- holds an opponent
- impedes an opponent with contact
- bites or spits at someone
- throws an object at the ball, opponent or match official, or makes contact with the ball with a held object See also offences in Law 3

Handling the ball

Handling the ball involves a deliberate act of a player making contact with the ball with the hand or arm. The following must be considered:

- the movement of the hand towards the ball (not the ball towards the hand)
- the distance between the opponent and the ball (unexpected ball)
- the position of the hand does not necessarily mean that there is an offence

The goalkeeper has the same restrictions on handling the ball as any other player outside the penalty area. Inside their penalty area, the goalkeeper cannot be guilty of a handling offence incurring a direct free kick or any related sanction but can be guilty of handling offences that incur an indirect free kick.

2. Indirect free kick

An indirect free kick is awarded if a player:

- plays in a dangerous manner
- impedes the progress of an opponent without any contact being made
- is guilty of dissent, using offensive, insulting or abusive language and/or gestures or other verbal offences
- prevents the goalkeeper from releasing the ball from the hands or kicks or attempts to kick the ball when the goalkeeper is in the process of releasing it
- commits any other offence, not mentioned in the Laws, for which play is stopped to caution or send off a player

A player must be cautioned for:

- gesturing or acting in a provocative, derisory or inflammatory way

Delaying the restart of play

Referees must caution players who delay the restart of play by:

- appearing to take a throw-in but suddenly leaving it to a team-mate to take
- delaying leaving the field of play when being substituted
- excessively delaying a restart
- kicking or carrying the ball away, or provoking a confrontation by deliberately touching the ball after the referee has stopped play
- taking a free kick from the wrong position to force a retake

Sending-off offences (Red Cards)

**Head Coach is responsible for himself, his coaches, his players, his fans.
Anyone that is Ejected is GONE from that game and the NEXT ONE!!**

A player, substitute or substituted player who commits any of the following offences is sent off:

- denying the opposing team a goal or an obvious goal-scoring opportunity by deliberately handling the ball (except a goalkeeper within their penalty area)
- denying a goal or an obvious goal-scoring opportunity to an opponent whose overall movement is towards the offender's goal by an offence punishable by a free kick (unless as outlined below).
- serious foul play
- biting or spitting at someone
- violent conduct
- using offensive, insulting or abusive language and/or gestures
- receiving a second caution in the same match

A player, substitute or substituted player who has been sent off must leave the vicinity of the field of play and the technical area.

Denying a goal or an obvious goal-scoring opportunity

Where a player denies the opposing team a goal or an obvious goal-scoring opportunity by a deliberate handball offence the player is sent off wherever the offence occurs.

Where a player commits an offence against an opponent within their own penalty area which denies an opponent an obvious goal-scoring opportunity and the referee awards a penalty kick, the offender is cautioned if the offence was an attempt to play the ball; in all other circumstances (e.g. holding, pulling, pushing, no possibility to play the ball etc.) the offending player must be sent off.

A player, sent off player, substitute or substituted player who enters the field of play without the required referee's permission and interferes with play or an opponent and denies the opposing team a goal or an obvious goal-scoring opportunity is guilty of a sending-off offence.

The following must be considered:

- distance between the offence and the goal
- general direction of the play
- likelihood of keeping or gaining control of the ball
- location and number of defenders

Serious foul play

A tackle or challenge that endangers the safety of an opponent or uses excessive force or brutality must be sanctioned as serious foul play. Any player who lunges at an opponent in challenging for the ball from the front, from the side or from behind using one or both legs, with excessive force or endangers the safety of an opponent is guilty of serious foul play.

Violent conduct

Violent conduct is when a player uses or attempts to use excessive force or brutality against an opponent when not challenging for the ball, or against a team-mate, team official, match official, spectator or any other person, regardless of whether contact is made.

In addition, a player who, when not challenging for the ball, deliberately strikes an opponent or any other person on the head or face with the hand or arm, is guilty of violent conduct unless the force used was negligible.

Offences where an object (or the ball) is thrown

In all cases, the referee takes the appropriate disciplinary action:

- reckless – caution the offender for unsporting behavior
- using excessive force – send off the offender for violent conduct.

3. Restart of play after fouls and misconduct

If the ball is out of play, play is restarted according to the previous decision

If the ball is in play and a player commits an offence inside the field of play against:

- an opponent – indirect or direct free kick or penalty kick
- a team-mate, substitute, substituted or sent off player, team official or a match official – a direct free kick or penalty kick
- any other person – a dropped ball

If, when the ball is in play:

- a player commits an offence against a match official or an opposing player, substitute, substituted or sent off player, or team official outside the field of play or
- a substitute, substituted or sent off player, or team official commits an offence against, or interferes with, an opposing player or match official outside the field of play, play is restarted with a free kick on the boundary line nearest to where the offence/interference occurred; a penalty kick is awarded if this is a direct free kick offence within the offender's penalty area.

If a player standing on or off the field of play throws an object (including the ball) at an opposing player, substitute, substituted or sent off player, or team official, match official or the ball, play is restarted with a direct free kick from the position where the object struck or would have struck the person or the ball. If this position is off the field of play, the free kick is taken on the nearest point on the boundary line; a penalty kick is awarded if this is within the offender's penalty area.

If an offence is committed outside the field of play against a player, substitute, substituted player or team official of their own team, play is restarted with an indirect free kick on the boundary line closest to where the offence occurred.

If a player makes contact with the ball with an object (boot, shinguard etc.) held in the hand play is restarted with a direct free kick (or penalty kick).

If a substitute, substituted or sent off player, player temporarily off the field of play or team official throws or kicks an object onto the field of play and it interferes with play, an opponent or match official, play is restarted with a direct free kick (or penalty kick) where the object interfered with play or struck or would have struck the opponent, match official or the ball.

Law 13 - Free Kicks

1. Types of free kick

Direct and indirect free kicks are awarded to the opposing team of a player, substitute, substituted or sent off player, or team official guilty of an offence.

Indirect free kick signal

The referee indicates an indirect free kick by raising the arm above the head; this signal is maintained until the kick has been taken and the ball touches another player or goes out of play. An indirect free kick must be retaken if the referee fails to signal that the kick is indirect and the ball is kicked directly into the goal.

Ball enters the goal

- if a direct free kick is kicked directly into the opponents' goal, a goal is awarded
- if an indirect free kick is kicked directly into the opponents' goal, a goal kick is awarded
- if a direct or indirect free kick is kicked directly into the team's own goal, a corner kick is awarded

2. Procedure

All free kicks are taken from the place where the offence occurred, except:

- indirect free kicks to the attacking team for an offence inside the opponents' goal area are taken from the nearest point on the goal area line which runs parallel to the goal line
- free kicks to the defending team in their goal area may be taken from anywhere in that area
- free kicks for offences involving a player entering, re-entering or leaving the field of play without permission are taken from the position of the ball when play was stopped. However, if a player leaves the field of play as part of play and commits an offence against another player, play is restarted with a free kick taken on the boundary line nearest to where the offence occurred; for direct free kick offences a penalty kick is awarded if this is within the offender's penalty area
- the Law designates another position (see Laws 3, 11, 12)

The ball:

- must be stationary and the kicker must not touch the ball again until it has touched another player
- is in play when it is kicked and clearly moves except for a free kick to the defending team in their penalty area where the ball is in play when it is kicked directly out of the penalty area

Until the ball is in play all opponents must remain:

- at least 9.15 m (10 yds) from the ball, unless they are on their own goal line between the goalposts
- outside the penalty area for free kicks inside the opponents' penalty area

A free kick can be taken by lifting the ball with a foot or both feet simultaneously. Feinting to take a free kick to confuse opponents is permitted as part of football.

If a player, while correctly taking a free kick, intentionally kicks the ball at an opponent in order to play the ball again but not in a careless or reckless manner or using excessive force, the referee allows play to continue.

3. Offences and sanctions

If, when a free kick is taken, an opponent is closer to the ball than the required distance, the kick is retaken unless the advantage can be applied; but if a player takes a free kick quickly and an opponent who is less than 9.15 m (10 yds) from the ball intercepts it, the referee allows play to continue. However, an opponent who deliberately prevents a free kick being taken quickly must be cautioned for delaying the restart of play.

If, when a free kick is taken by the defending team from inside its penalty area, any opponents are inside the penalty area because they did not have time to leave, the referee allows play to continue.

If an opponent who is in the penalty area when the free kick is taken, or enters the penalty area before the ball is in play, touches or challenges for the ball before it has touched another player, the free kick is retaken.

When there is a 'wall' of three or more defenders, the attackers are not allowed within 1m (1 yd) of the wall; an attacker less than 1m (1yd) from the 'wall' when the kick is taken will be penalized with an indirect free kick

When the defending team takes a free kick in their own penalty area, the ball is in play once the kick is taken; it does not have to leave the penalty area before it can be played

If, after the ball is in play, the kicker touches the ball again before it has touched another player an indirect free kick is awarded, if the kicker deliberately handles the ball:

- a direct free kick is awarded
- a penalty kick is awarded if the offence occurred inside the kicker's penalty area unless the kicker was the goalkeeper in which case an indirect free kick is awarded

Law 14 - The Penalty Kick

A penalty kick is awarded if a player commits a direct free kick offence inside their penalty area or off the field as part of play as outlined in Laws 12 and 13. A goal may be scored directly from a penalty kick.

1. Procedure

The ball must be stationary on the penalty mark.

The player taking the penalty kick must be clearly identified.

The defending goalkeeper must remain on the goal line, facing the kicker, between the goalposts until the ball has been kicked.

The players other than the kicker and goalkeeper must be:

- at least 9.15 m (10 yds) from the penalty mark
- behind the penalty mark
- inside the field of play
- outside the penalty area

After the players have taken positions in accordance with this Law, the referee signals for the penalty kick to be taken.

The player taking the penalty kick must kick the ball forward; backheeling is permitted provided the ball moves forward.

The ball is in play when it is kicked and clearly moves.

The kicker must not play the ball again until it has touched another player.

The penalty kick is completed when the ball stops moving, goes out of play or the referee stops play for any offence.

Additional time is allowed for a penalty kick to be taken and completed at the end of each half of the match or extra time. When additional time is allowed, the penalty kick is completed when, after the kick has been taken, the ball stops moving, goes out of play, is played by any player (including the kicker) other than the defending goalkeeper, or the referee stops play for an offence by the kicker or the kicker's team. If a defending team player (including the goalkeeper) commits an offence and the penalty is missed/saved, the penalty is retaken

2. Offences and sanctions

Once the referee has signaled for a penalty kick to be taken, the kick must be taken. If, before the ball is in play, one of the following occurs:

- the player taking the penalty kick or a team-mate offends:
- if the ball enters the goal, the kick is retaken
- if the ball does not enter the goal, the referee stops play and restarts with an indirect free kick
- except for the following when play will be stopped and restarted with an indirect free kick, regardless of whether or not a goal is scored:
 - a penalty kick is kicked backwards
 - a team-mate of the identified kicker takes the kick; the referee cautions the player who took the kick
 - feinting to kick the ball once the kicker has completed the run-up (feinting in the run-up is permitted); the referee cautions the kicker
- the goalkeeper or a team-mate offends:
 - if the ball enters the goal, a goal is awarded
 - if the ball does not enter the goal, the kick is retaken; the goalkeeper is cautioned if responsible for the offence
- a player of both teams offends the Laws of the Game, the kick is retaken unless a player commits a more serious offence (e.g. illegal feinting); if both the goalkeeper and kicker commit an offence at the same time:
 - if the kick is missed or saved, the kick is retaken and both players cautioned
 - if the kick is scored, the goal is disallowed, the kicker is cautioned and play restarts with an indirect free kick to the defending team

If, after the penalty kick has been taken:

- the kicker touches the ball again before it has touched another player:
- an indirect free kick (or direct free kick for deliberate hand ball) is awarded
- the ball is touched by an outside agent as it moves forward:
- the kick is retaken unless the ball is going into the goal and the interference does not prevent the goalkeeper or a defending player playing the ball, in which case the goal is awarded if the ball enters the goal (even if contact was made with the ball) unless the ball enters the opponents' goal.
- the ball rebounds into the field of play from the goalkeeper, the crossbar or the goalposts and is then touched by an outside agent:
 - the referee stops play
 - play is restarted with a dropped ball at the position where it touched the outside agent

Law 15 - The Throw-in

A throw-in is awarded to the opponents of the player who last touched the ball when the whole of the ball passes over the touchline, on the ground or in the air.

A goal cannot be scored directly from a throw-in:

- if the ball enters the opponents' goal – a goal kick is awarded
- if the ball enters the thrower's goal – a corner kick is awarded

1. Procedure

At the moment of delivering the ball, the thrower must:

- stand facing the field of play
- have part of each foot on the touchline or on the ground outside the touchline
- throw the ball with both hands from behind and over the head from the point where it left the field of play

Note: In the U8 and younger age groups, improper throw-ins are retaken and the second throw is played.

All opponents must stand at least 2 m (2 yds) from the point at which the throw-in is taken.

The ball is in play when it enters the field of play. If the ball touches the ground before entering, the throw-in is retaken by the same team from the same position. If the throw-in is not taken correctly it is retaken by the opposing team.

If a player, while correctly taking a throw-in, intentionally throws the ball at an opponent in order to play the ball again but neither in a careless nor a reckless manner nor using excessive force, the referee allows play to continue.

The thrower must not touch the ball again until it has touched another player.

2. Offences and sanctions

If, after the ball is in play, the thrower touches the ball again before it has touched another player an indirect free kick is awarded; if the thrower deliberately handles the ball:

- a direct free kick is awarded
- a penalty kick is awarded if the offence occurred inside the thrower's penalty area unless the ball was handled by the defending team's goalkeeper in which case an indirect free kick is awarded

An opponent who unfairly distracts or impedes the thrower (including moving closer than 2m (2yds) to the place where the throw-in is to be taken) is cautioned for unsporting behavior and if the throw-in has been taken an indirect free kick is awarded.

For any other offence the throw-in is taken by a player of the opposing team.

Law 16 - The Goal Kick

A goal kick is awarded when the whole of the ball passes over the goal line, on the ground or in the air, having last touched a player of the attacking team, and a goal is not scored.

A goal may be scored directly from a goal kick, but only against the opposing team; if the ball directly enters the kicker's goal a corner kick is awarded to the opponents if the ball left the penalty area.

1. Procedure

- The ball must be stationary and is kicked from any point within the goal area by a player of the defending team
- The ball is in play once the kick is taken; it can be played before leaving the penalty area
- Opponents must be outside the penalty area until the ball is in play

Note: Placement of the ball for goal kicks in the U7 and U8 age groups is based on the ability to kick the ball out of the penalty area.

2. Offences and sanctions

If the ball is touched by an attacking player before it leaves the penalty area the kick is retaken.

If, after the ball is in play, the kicker touches the ball again before it has touched another player an indirect free kick is awarded

If the kicker deliberately handles the ball:

- a direct free kick is awarded
- a penalty kick is awarded if the offence occurred inside the kicker's penalty area unless the kicker was the goalkeeper in which case an indirect free kick is awarded

If an opponent who is in the penalty area when the goal kick is taken, or enters the penalty area before the ball is in play, touches or challenges for the ball before it has touched another player, the goal kick is retaken.

If a player enters the penalty area before the ball is in play and fouls or is fouled by an opponent, the goal kick is retaken and the offender may be cautioned or sent off depending on the offence.

For any other offence the kick is retaken.

Law 17 - The Corner Kick

A corner kick is awarded when the whole of the ball passes over the goal line, on the ground or in the air, having last touched a player of the defending team, and a goal is not scored.

A goal may be scored directly from a corner kick, but only against the opposing team; if the ball directly enters the kicker's goal a corner kick is awarded to the opponents.

1. Procedure

- The ball must be placed in the corner area nearest to the point where the ball passed over the goal line
- The ball must be stationary and is kicked by a player of the attacking team
- The ball is in play when it is kicked and clearly moves; it does not need to leave the corner area
- The corner flagpost must not be moved
- Opponents must remain at least 9.15 m (10 yds) from the corner arc until the ball is in play

2. Offences and sanctions

If, after the ball is in play, the kicker touches the ball again before it has touched another player an indirect free kick is awarded;

If the kicker deliberately handles the ball:

- a direct free kick is awarded
- a penalty kick is awarded if the offence occurred inside the kicker's penalty area unless the kicker was the goalkeeper in which case an indirect free kick is awarded

If a player, while correctly taking a corner kick, intentionally kicks the ball at an opponent in order to play the ball again but not in a careless or reckless manner or using excessive force, the referee allows play to continue.

For any other offence the kick is retaken.

SBYSL Build Out Line Rule

This rule introduces the implementation of a build out lines in the SBYSL short side competitions (U11 and younger). A build out line is a line on the field that is located equal distance between the penalty area and the halfway line.

The concept of a build out line is to encourage playing the ball out of the back, in a less pressured setting. The build out line specifically impacts three key parts of the game, offside, goal kicks, and the goalkeeper putting the ball back into play once they have possession of the ball with their hands.

OFFSIDE The build out line denotes where an offside offense may begin to be penalized, replacing the halfway line for short side competition. Players are not penalized for offside between the halfway line and the build out line. **Note: this portion of the rule only applies to games played on Banner field. Offsides is not enforced on the younger age groups that play on the FSK fields.**

GOAL KICK Opposing players must move behind the build out line during the taking of a goal kick. They must remain behind the build out line until the ball is in play.

GOALKEEPER POSSESSION - BALL IN HAND Goalkeepers may NOT punt or drop kick the ball. They must release the ball back into play with their hands. If a goalkeeper punts or drop kicks the ball, the opposing team is awarded an indirect free kick, at the spot of the offense. If the offense takes place in the goal area, the ball is placed at the closest spot on the goal area line, parallel to the goal line. Goalkeepers can NOT throw the ball in the air, let it bounce and then kick it. That is a drop kick, and considered a violation.

When the goalkeeper has possession of the ball in hand, opposing players must move out of their offensive third, to a position behind the build out line. Once the goalkeeper releases possession with their hands, the opposing team may cross the build out line and resume normal play

Goalkeepers are permitted to put the ball into play while opponents are within their offensive third, but by doing so, the goalkeeper accepts the consequences of resuming normal play before the opponents move beyond the build out line.
